

# A NEW WAY TO MAKE A DIFFERENCE

A competitive grant program is helping Good Samaritan campuses enhance and improve their physical spaces and address pressing needs. Help your campus qualify today!

## A Gift for Good

It takes all of us to meet the needs of our changing population. As a nonprofit health care organization, your generosity helps us surround residents and patients with all the good they need to thrive at every age and every stage of life.

## Double Your Impact in 2026

100% of every gift through the Good Samaritan Foundation ensures those who depend on us will always receive the care, attention and respect they deserve. **And thanks to a special matching grant program, you can make twice the difference throughout 2026!**

## How It Works

- Qualifying Good Samaritan campuses can earn a \$10,000 matching grant to enhance and improve their physical spaces and address pressing needs.
- The Good Samaritan Foundation will award these matching grants to the first 30 campuses that raise \$10,000 in donations.
- Skilled Nursing, Assisted Living and Independent Living facilities will work together to meet the target.

## Make Your Gift Today

The sooner a campus reaches \$10,000, the more likely it is to secure the matching grant. Don't wait — help us make an even greater impact in 2026!
